

Everyone deserves a fair chance to build a decent life.

CORPORATE BUILD DAY REGISTRATION

CORPORATE BUILD DAY

Northeast Texas Habitat for Humanity Build Day Program is an exciting and engaging way for companies and their employees to give back to the local community in a tangible way. The Corporate Build Day gives employees the opportunity to get out of the office and onto a construction site for a day of building hope, lives and communities. The combination of volunteer efforts and a financial sponsorship double your company's impact.

Choose the Build Day structure that best fits your volunteering mission:

Half Day	\$3,500.00	Build 8am – Noon	Includes Breakfast
Full Day	\$6,000.00	Build 8am-3:30 pm	Includes morning snack & lunch

Participation in a Corporate Build Day truly makes a difference for hardworking, low-income families in need of decent, sustainable and affordable housing in greater Longview. Your company's charitable donation covers the "sticks and bricks" of the build day, including the cost of the materials, staff and instruction.

PARTNERSHIP BENEFITS

- Private Build Days: Monday – Friday
- Employee Engagement for up to 25 volunteers
- Group Photo
- Invitation to the Home Dedication Ceremony
- Recognition on Habitat's website and social media sites
- Use of Habitat's logo on your company provided t-shirts for your team members
- Skilled site leadership that provides all tools and instruction to complete the day's tasks in a safe and fun environment
- Hang your company banner (NETHFH provided banner) at the construction site during the build day

REQUIREMENTS

- All volunteers must be at least 16 years of age
- All completed forms must be submitted prior to the day of your build
- NO prior construction experience is necessary!
