

NE Texas Habitat for Humanity Enacts Prevention Protocol Regarding COVID-19

As each day brings new reports of the spread and impact of the COVID 19 virus, we want to keep you informed about the actions NE Texas Habitat is taking in response to this rapidly evolving situation. The health and safety of our employees, volunteers, customers, partners, and clients are of the utmost priority. Today's actions are driven by our commitment to provide a safe work environment at all times, whether in our facilities or the field.

NE Texas Habitat for Humanity has voluntarily enacted the following measures until April 16, 2020.

- Habitat offices and ReStore will maintain regular business hours. Please call for an appointment before visiting our Administrative offices.
- Hand sanitizer and disinfecting wipes are available at the entries of our facilities for visitor use.
- In-home client visits, inspections, interviews, and repairs are suspended.
- All volunteer activities are suspended.
- Homeowner college classroom instruction is canceled.
- Group meetings will be held by conference call or rescheduled.
- All business travel is canceled.

We will continue to monitor daily and to update our response as appropriate until the virus is contained, and these measures are no longer necessary.
